

# Paper Products

---

To meet the higher than normal demand for paper products, NSW is appealing to Australian-based manufacturers to support increased production.

## SCOPE

We are looking for the following types of paper products:

**Hand towels**

**Facial tissues**

**Paper towels**

---

**Toilet paper**

- One-ply or two-ply, standard or jumbo roll
- Unbleached
- Bleached using Totally Chlorine Free (TCF) process

## SPECIFICATIONS

At a minimum, the products must meet the following standards:

- GECA 13-2007

In addition to the minimum standards listed above, toilet paper must be suitable for septic systems
