## Deliverables

HealthShare NSW Linen Service provides linen services to public hospitals and other health facilities in NSW from 7 laundries across the State. These are located at Parramatta, Newcastle, Orange, Illawarra, Tamworth, Lismore and Wagga Wagga. Each HealthShare NSW Linen Services location will require supply, installation, commissioning and maintenance of infrastructure such as delivery lines to bulk storage tanks, bulk storage tanks; chemical delivery pumps and lines. The Supply, installation, commissioning and maintenance of all monitoring equipment required to adjust the wash chemistry to ensure optimal washing and improved environmental performance.

The tender has been separated into two separate offers with differing disinfection methods:
