

Contract: Registration of Interest (ROI) for the Construction of Belmore Road Ramps in Riverwood, NSW.

Contract No. RMS 17.0000302526.1165

Roads and Maritime Services is inviting suitable organisations to register their interest in constructing ramps onto the M5 Motorway at the intersection of Belmore Road and the M5 west motorway in Riverwood in NSW.

The work will be undertaken as a construct only GC21.

All tenderers must comply with the *NSW Government Code of Practice for Procurement (dated 18 January 2005)* and must be an acceptable legal entity.

Organisations seeking to register their interest must have

- A registered company
- Prequalified as RMS R3 and F\$50m+
- Compliance with the *Building Code 2013*
- Accreditation with the Australian Government Work Health & Safety Accreditation Scheme
- Demonstrated capability, Capacity & Experience, particularly in managing roadworks projects with significant space constraints in active dual carriageway or urban arterial road environments
- Demonstrated Capacity for Successful Collaboration with the NSW Government
- Other requirements as detailed in ROI

ROIs must be submitted using the NSW eTendering <https://tenders.nsw.gov.au/>

Tenders shall be submitted before 5.00pm (Sydney time) on **Wednesday 20 September 2017**.
